## THE MASTER'S MESSAGE

Our lodge was graced by the presence of the Rainbow Girls of Sparks Assembly at our stated meeting in March. They gave an excellent presentation about their Assembly and its charities, along with the explanation of the colors and meanings of the Rainbow. Hosting a Masonic youth group is a commitment Reno 13 has made this year, and our lodge will be hosting the Reno Chapter of Demolay at our stated meeting in April.

We look forward to their visit. We also had a presentation by James Stanley on the Grottos of North America. Brother James told us about the history of the Grotto, how it was formed and why, and about Chaman Grotto, which is our local Grotto. We appreciate his time and knowledge as many of the brothers were not aware of our Grotto in Reno. Of course the highlight of the evening was the presentation to Brother Frank Jones, be sure to congratulate him on his 25 plus years of service. Frank said that he felt like he could go another 25, and we would not want it any other way. Congratulations Frank, and many many more. Come to lodge for the great food prepared by Jimmy Grunstead, our Junior Warden, and catch up on all the events we have planned for the year.

Fraternally, Rick Graver, W.M.
